Flying rules

in the area of flights There are

National park České Švýcarsko (Bohemian Switzerland)

<https://mapy.cz/zakladni?x=14.3477140&y=50.8905891&z=11&source=area&id=26573>

National park Sächsische Schweiz (Saxon Switzerland)

<https://mapy.cz/zakladni?x=14.2103159&y=50.9456940&z=11&source=osm&id=95708941>

Protected Landscape Area - Labské pískovce (Elbe sandstone cliffs)

<https://mapy.cz/zakladni?x=14.2772207&y=50.8328973&z=11&source=area&id=38>

Protected Landscape Area - Lužické hory, Lausitzer Berge (Lusatian Mountains)

<https://mapy.cz/zakladni?x=14.2772207&y=50.8328973&z=11&source=area&id=26566>

National parks are areas where take offs and landings are not permitted. There is not allowed driving off the roads. In the protected landscape areas there is limited entry to natural landscapes.

We ask the crews to comply not only to the law standards but also these following conditions:

- in the case of low winds to have equipment for min. three-hour flight. This is not a condition for attending the event. For balloons without this equipment there will be alternative launch areas.
- for flights across the border you should have insurance for both countries.
- pilots must follow the minimum altitudes and find suitable landing place (in National parks the no landing rule applies)

You will get the detailed information about the flight area from the flight director at the opening briefing. The attendance on the opening briefing is mandatory. Flying in this area is beautiful but also challenging. Please adjust your equipment and crew accordingly.

GAS:

Gas filling will be near the launch area after each flight. Cash advance on gas is 9.000 CZK or 360 EUR. The latest date for paying is at the opening briefing. After the event we will return the money not spent. Account Number: 27-3762480227/0100, in the message for recipient write your name/company and balloon's imatriculation.
